

Rotary

E-Club of Global Trekkers

What is DACdb?

Located at

www.dacdb.com

The District and Club database was developed to assist districts and clubs to meet their administrative reporting requirements to Rotary International, and to foster easier communications within the district for the district leadership, district committees, club leadership, and of course the members of Rotary Clubs.

The login is the email address you provided when you became a Global Trekker and the password is your RI Membership ID Number.

If you visit this database, it is best simply not to ever logout of it. Otherwise, you will probably have to scramble around to find your RI ID Number.
